

Kristen Berger, class of 2015, Geology and Economic Double Major

Kristen was a member and captain of the Lafayette DI Softball team. She was actively involved in the Geology department as a peer mentor and teaching assistant for various classes. During her time on campus, she was an Admissions Ambassador. She cofounded Behind Closed Doors, a safe space for LGBTQ individuals, as well as the Respect Initiative, a movement focused on diversity and inclusion within the athletic department. After graduating, she began her career as a Professional Liability Underwriting at Berkley Professional in New York City. She continues to return to Lafayette's campus for various LGBTQ events (was an alumni panelist for an LGBT athletic department event) as well as softball outings. Kristen currently resides in New York City with her fiancé, Kristi- married in September 2019. Together they enjoy traveling, golf, being foodies, and remaining active in the LGBTQ community.
